Recognize Your Local Library Staff

“National Library Workers Day,” established by the American Library Association, is Tuesday, April 4, 2006, during National Library Week. In conjunction with this day, Lincoln Trail Libraries System invites you to recognize the hard work, dedication, and expertise of the librarians and support staff in your local library.

You can share your appreciation for library workers by going to <http://www.lincolntrail.info/cgi-bin/libworkerday/recognize.cgi> and submitting an online form describing how someone in your library makes a difference for you as you seek information and materials or attend programs at your library. Everyone is encouraged to do this--library users, students, children, colleagues, faculty, or management.

These special workers will then be honored on the Lincoln Trail Libraries System web site at the same location (<http://www.lincolntrail.info/cgi-bin/libworkerday/recognize.cgi>).

Founded in 1966, Lincoln Trail Libraries System has headquarters in Champaign and is one of 9 multi-type library systems in the State of Illinois. The System serves 7 academic, 53 public, 45 school, and 17 special libraries in Champaign, Clark, Coles, Douglas, Edgar, Ford, Iroquois, Piatt, and Vermilion counties. Lincoln Trail advocates, collaborates, and facilitates education and cooperation to empower information agencies to improve and expand access to and delivery of information resources.
